

2019 Advertising Kit

Put your firm front and center with edtech's thought leaders, purchasers

Connecting with a targeted market of edtech professionals and purchasers has never been easier.

Welcome to the International Society for Technology in Education (ISTE), where you'll find opportunities for year-round exposure to leaders and key decision-makers in the edtech market.

Choose from ***Empowered Learner*** magazine, a quarterly membership magazine; **ISTE Update**, a monthly member e-newsletter; or the **ISTE Blog**, a robust online content platform.

Choose the product. Choose the medium. Get connected to ISTE's global community of educators who are seeking up-to-the-minute information on all things edtech.

Together, transforming teaching and learning

ISTE is a nonprofit organization that works with the global education community to accelerate the use of technology to solve tough problems and inspire innovation. Our worldwide network believes in the potential technology holds to transform teaching and learning.

ISTE sets a bold vision for education transformation through the ISTE Standards, a framework for students, educators, administrators, coaches and computer science educators to rethink education and create innovative learning environments.

The organization's professional learning offerings include online courses, professional networks, year-round academies, peer reviewed journals and other publications. ISTE is also the leading publisher of books focused on technology in education.

ISTE also hosts the annual ISTE Conference & Expo, one of the world's most influential edtech events – coming to Philadelphia June 23-26, 2019. There, over 16,000 educators from 75 countries will gather to learn during 1,200 professional development sessions and will visit a hands-on expo hall featuring 550 companies.

EMPOWERED LEARNER

Converge with the world's edtech leaders.

The screenshot shows a banner advertisement for ISTE Update. At the top, it says "ISTE Update" with a tagline "The only ISTE newsletter and resource for members." Below this is a photo of a young girl in a pink shirt looking at a tablet. Text on the banner includes "FREE WEBINAR: Learn coding on mobile devices", "Bring coding into your classroom", "Get ready to kick off Computer Science Education Week and join us for a webinar full of practical ideas for infusing coding into your K-12 classroom. Register today for this Nov. 28 webinar.", and a "REGISTER NOW" button. Below the main content, it says "November 2017" and "Share your standards adoption story". There is also a purple banner that says "BE AT THE CORE OF LEARNING TRANSFORMATION" and "Register today for #ISTE18". At the bottom, it says "Edtech trends revealed" and "This just in! ISTE's new digital citizenship book".
